Drawing Boards, Paints and Brushes, Etc.
23 McGill College Ave.

FIRST RADIO ASSOCIATION MEETING HELD

Large Attendance at Initial
Opening.

MR. DEMERS SPOKE.

Interesting Programme Out-
lined by President.

McGill latest club, the Radio Association, promises to have a successful year if the attendance at its first meeting is any criterion.

A receiving set of imposing completeness had been set up in the Main Lecture theatre of the Macdonald Physics Bldg. and connected to the "aerial" which can be seen stretching from the Physics to the Arts building any clear day.

Mr. Finlayson, the President called the meeting to order and outlined a program of activities which in all probability will be enlarged upon later.

"It was suggested at a meeting of the officers last Thursday," said Mr. Finlayson, "that there be two meetings per week." "On Thursday advanced lectures by members of the club will be alternated by lectures given by Professors of the Physics Department who have kindly offered their services for this purpose, and, by outside men."

After a little discussion it was decided to exact a fee of \$1.00 from all prospective members for the current year.

The President next introduced Mr. Demers, the Secretary-Treasurer, who

(Continued on Page 2.)

BOXERS TO PUT ON EXHIBITION

Four Men Chosen to Go to
St. Annes.

More than one man at the boxing workout last night gave utterance to expressions of unstinted praise at the pep shown by the club. All were very enthusiastic about their instruction and their coach. Each class showed an increase in attendance which indicated that there will be very keen competition in the inter-class and inter-faculty boxing eliminations. These eliminations are to start within a fortnight and anyone desirous of entering should start training at once.

Eighty men attended the 5 o'clock class and thirty-three were present at the 6 o'clock workout. The men were first put through a fifteen-minute period of class instruction. Following this the gloves were put on and the men were given a chance to practice the various feints, counters and guards demonstrated by the coach. Only a few men were advanced to the six o'clock class the Coach feeling that more experience was necessary for the likely ones.

Four men were chosen from the six o'clock class to give exhibition bouts at St. Anne's next Tuesday. It is hoped that many of such short trips will be arranged for the boxers during this session. The men chosen will not always be the best boxers but will be invariably those men who show the keenest interest and "pep" during the practice. The B. W. & F. Executive hopes to be able to make, very shortly, definite announcement of a trip to Ottawa for a boxing team, and possibly wrestlers. Everyone will have a chance to make the team if he is attentive and determined to get everything possible out of his excellent coaching.

There is still a shortage of heavy men but a number are expected to present themselves for training at the close of the rugby season.

There will be a meeting of the B. W. & F. Executive, including the Faculty boxing representatives to-day, at 5 p.m. in the Union. It is important that every one interested in this meeting attend.

WHAT'S ON

TO-DAY.

10.30—Intercollegiate Harrier Race at Kingston.

1.00—R.V.C. Rooters.

1.35—R.V.C. Basketball, Beginners.

3.30—Interfaculty Rugby, Arts-Law vs. Science.

4.00—R.V.C.A.A. Executive.

4.00—S.C.A. of R.V.C.

5.00—B. W. & F. Executive.

5.00—Chemical Society.

8.30—Informal at Union.

8.30—Intermediate Water Polo, McGill vs. N.A.A.A.

COMING.

Saturday, November 5.

2.30—Syracuse at McGill.

Sunday, November 6.

7.00—Murray Brooks at Calvary Church.

Monday, November 7.

9.00—Intercollegiate Rifle Shoot.

Tuesday, November 8.

7.00—Glee Club.

GRADS. PLAN PLACE TEAM CITY LEAGUE

Former McGill Stars Organ-
izing Hockey Team

NUMBER IN CITY

Could Easily Get Together an
Aggregation of Stars

While the McGill senior Hockey team will not be represented in the City League this year, plans are now on foot whereby the "Red and White" will be represented in the form of a team composed of graduates and past students of McGill who are now in the city. There are a number of men who in past years have played hockey for McGill among whom being: Vee Hevey, Jim Cully, Norm. Williamson, Noah Timmons, "Jarvey" Nichol, John Gallery, Dickey Dawes, Maurice Hodgson, Frank McGill, "Dud" Ross, "Monty" Montgomery, "Punch" Parkins, Eric Parson, S. Scott, "Sid" Davis, Bill Hughes, B. Sutherland, J. Blacklock, Paw Dooner and several others.

From such a galaxy of stars it is certain that a very strong team could be selected, as all positions from goal to forward are well represented.

"Nonty" Montgomery and "Paw" Dooner and "Ski" Scott are three goal tenders the equal of any McGill has had for some years. "Vee" Henry star of 1919-20 and Jim Cully, captain of last year's team, are a pair of defence stars whom it would be hard to beat, and on the forward line, as can be seen from the foregoing list, there is any amount of good material, all of the names mentioned being those of outstanding players on McGill teams during the last seven or eight years.

The plan is of course still in the embryonic stage, but it is extremely likely that it will be regarded favourably by the authorities, and the City League would no doubt be glad to welcome a team which would undoubtedly prove a tremendous drawing card, as McGill students in general would take a great interest in seeing play and in cheering on the men who used to scintillate on the college teams.

COUNCIL REPRESENTA- TIVES.

All nominations for faculty representatives to the Students' Council must be handed in to the Secretary's office by 6 p.m. Monday, Nov. 14—the elections to take place in the respective faculty buildings on Wednesday, Nov. 23.

SYRACUSE IS ARRIVING AT 10.30 TODAY

Strong Orange Team Invades
McGill This Morning

DETAILS ARRANGED

Syracuse Will Work Out This
Afternoon at
Stadium.

Graduate Manager Geo. B. "Cy" Thurston of the Syracuse University-football Team arrived in Montreal Thursday morning to arrange the final details of the arrival of the Orange Squad—which is due at 10.30 this morning. While in the City the entire Syracuse delegation—players and Rooters—will be quartered at the Windsor Hotel.

Everything points to a large crowd of lovers of the fall sport being in their seats at the kick-off Saturday afternoon at 2 P. M. It is the international feature of the conflict that is attracting so much interest and attention. Forty-seven years ago McGill journeyed to Harvard and played a game of rugby from which developed much of the present American game of foot-ball. Therefore there is plenty of sentiment attached to this first international contest since the war—and it is hoped it will mark the beginning of numerous athletic contests, especially in the great Autumn sport between the larger institutions of Canada and the States. Several hundred Syracusians will motor from the States to see their Team in action

(Continued on Page 4.)

INTERESTING PLAY HERE NEXT WEEK

Doris Keane Will be Featured
in "Romance" at His
Majesty's.

Many, probably most, of the McGill men who were overseas in war-time have seen Doris Keane in "Romance" so it is interesting news to hear that the play with the same star in it is to be at His Majesty's theatre next week. The play had a run of more than a thousand nights in London, one of the longest on record. Doris Keane played continuously in it during the period of the war in spite of air-raids and other hazardous conditions. "Society" flocked to see the play, and soldiers home on leave made "Romance" and Doris Keane the special object of their admiration. After they went back to the trenches all of them who had the least acquaintance with the Muse were inspired to write poems about Miss Keane as La Cavallini, the capricious, temperamental, but fascinating Italian opera singer of the play. There were enough of these poems to fill a book, and they have been collected into one and published.

"Romance" is a drama of an unhappy and rather curious adventure of "heart interest", the scene of which is laid in New York in the '60's. Its central figure is La Cavallini, impersonated by Doris Keane as a prima donna of grand opera of half a century ago, with her coquetry, caprice, queenliness, spoiled childishness, and, withal, charm. One scene full of humorous realism is that in her boudoir after the opera, with her old Italian maid, who has herself been a celebrated prima donna in her day. Miss Keane's little sarcasm about her rival Patti, her play with her pet monkey, and her friendly talk out of the window with her compatriot, the organ grinder, keep the audience amused. This monkey, Adeline by name, has his own share in the play, as will be remembered by those who saw it in London. He is an English "actor", born in the London Zoological Gardens, and presented to Miss Keane by the Lord Mayor of that city after his (the Monk's) predecessor had come to an untimely end.

The Montreal Women's Press Club have made arrangements with the man-

MONTREAL, FRIDAY, NOVEMBER 4, 1921.

MCGILL WELCOMES SYRACUSE.

We have as our guests to-day a large number of players and students from Syracuse University. The team from the United States comes to play the first international game of football that has been staged for many years. The interest in the contest has attracted attention from the people of both nations, and they will be watching the result keenly.

It is certain that the McGill team will play in its usual sportsmanlike manner, whether it wins or loses, and it only remains for the students to do their part. The visiting team is in a city strange to the majority of the players, and it will be at a loss to find the proper manner of passing the short time they will be here. Let every McGill man feel that it is his personal task to see that the guests of the college are made welcome. The Students' Council is doing all in its power to give the Syracuse men the privileges of all the college buildings and grounds during their stay, but their efforts are of no avail without the co-operation of every undergraduate. Show them that we are pleased to have them among us. Let them see that McGill welcomes Syracuse.

PARLEZ-VOUS FRANCAIS?

Every student should consider French a compulsory subject, whether we have the opportunity of learning it in the University, or elsewhere, and we should spare no effort to get at least a fair speaking and writing knowledge of the language.

Unfortunately the teaching of French in McGill is confined to the Faculty of Arts, and is only a compulsory subject in the first year. It is presumably not included in the curricula of the other faculties owing to the fulness or arrangement of the courses, or because the knowledge of French is deemed less essential. Familiarity with French is imperative for the successful practice of Law in this province.

Many people look upon the foreigner as stupid because of his unfamiliarity of English, and it comes as a shock when such an eminent leader as Foch requires an interpreter. Such an attitude we rightly condemn, but are we actually much better?

French, the language of chivalry, of diplomacy, and of arms, and so closely related to Latin, was the source of much of our own tongue. About eighty-five per cent. of the inhabitants of the Province of Quebec, and twenty-five per cent. of the Dominion, are French in origin, manners and language.

To our shame it must be said that as a whole English speaking Canadians neglect or decline to become bi-lingual, thereby handicapping themselves in public life and affairs, and helping to keep the races apart. A bi-lingual individual is better equipped, thinks clearer, and has a broader vision. Canada has now a place to fill in the world, and we must fit ourselves for this larger part.

EDITORIAL NOTE.

The Harriers match their speed this morning against three strong aggregations. Varsity is said to have the swiftest team they have produced in years, and our men will have to work hard to clinch the championship from the winners of 1920. R.M.C. and Queens' have good runners this year, according to current reports. The McGill Harriers have worked long and faithfully, and we hope to hear that another championship has been added to McGill's growing list this season.

ANNUAL SOIREE OF THEOLOG. FRESHIES

Adding Poets and Actors Provide Entertainment

Last night the annual freshman's soiree was given by newcomers to the Presbyterian College. It is evident that theatrical circles are being cheated of much talent by the ministerial and medical professions.

The show staged last night was one of the most successful held in years, both in regard to originality and quality. Witty jokes and puns on the various numbers of the senior classes were flowing around as thick as letters from the Dean's office about the month of January.

Bob Fortune and Ralph Smallman seemed to be the ringleaders, and during the entire performance controlled the youngsters in fine style. Kerr proved himself to be a master hand at elocution and Simpson asked some very difficult questions. The final act, however, was the headliner, a real treat.

The Heckville Symphony Orchestra under the able direction of Prof. Borz, created a great impression. It is wonderful what tone, expression and depth of feeling, can be coaxed from a Kakov, to say nothing of the harmony created when several members attempted coloratura stuff. It was an artistic triumph. A very cleverly written song to the tune of "Polly-wolly-doodle" clearly demonstrated that the age of poetry has not passed. A man who can produce an oratorio to such a hackneyed tune as the aforementioned is nothing short of a genius.

NO LECTURES ON MONDAY NOV. 7th

Thanksgiving Day Will be Duly Observed.

As announced by the Registrar today, next Monday being Thanksgiving Day, lectures will be suspended in all faculties. The Dominion Government by order in Council, have set apart Monday November 7th as Thanksgiving Day, the reason for the somewhat later date than usual being that it was felt that Armistice day should be the National Thanksgiving, but as this falls on Thursday, the nearest Monday to the 11th of November was selected. It is believed that the intention of the government is to fix Thanksgiving as the Monday, which falls nearest to the 11th of November, Armistice Day, thus giving a good weekend holiday instead of merely a day in the middle of the week.

FIRST RADIO ASSOCIATION MEETING HELD.

(Continued from Page 1.)

spoke on simple wireless principles and circuits. The address was well received, and Mr. Finlayson at the request of those present tendered a vote of thanks to Mr. Demers.

The subsequent demonstration of wireless reception was equally successful and interesting.

The thanks of the Club are due Dr. Eve for his permission to use the Lecture theatre in the Physics building from time to time. Also to the other professors, especially Dr. Gray, for their interest in the welfare of the club.

REPORTS OF CENTENNIAL COMMITTEE

Lists as Complete as it is Possible to Make Them.

FINE WORK.

Old Grads Royally Entertained by Hard Working Committee Men.

The Editor, McGill Daily.

Dear Sir—It is the wish of the Reunion Committee that you kindly publish the reports of Mr. Chas. B. Henry, Med. '22, who was engaged by the Committee for a period of five weeks and who did excellent work in that connection, and also the report of Mr. Donald T. Derron, B.Sc., who volunteered and took entire charge of the Service Department organizing it, including the auto service, with excellent results which are well known. Dr. Derron modestly signed his report "A Graduate in Science," but it is felt that what he did should be properly acknowledged. To the McGill Reunion Committee, McGill Centenary 1921.

Attention Mr. Fraser Keith.

Gentlemen:

I have the honor to submit for your approval the names of the volunteers who so willingly assisted on the Registration Committee during the McGill Centenary, also attached a report of the Service Committee under the charge of one whose assistance was absolutely invaluable but who is very desirous of remaining incognito.

G. F. Aylward, Med. '23; E. J. Curtis, Med. '23; G. A. Boon, Med. '23; Wm. L. Harwood, Med. '23; F. G. Buckley, Med. '23; H. C. Ballon, Med. '23; N. Gestelin, Med. '23; W. B. Ein, Med. '23; T. C. Clendinning, Med. '24; L. J. McDonald, Med. '23; E. Enger, Med. '23; E. Duskes, Med. '23; E. S. Hill, Med. '23; C. S. Rubenstein, Med. '23; R. W. Hartley, Law '24; A. W. Moore, Med. '24; R. N. Morris, Med. '24; D. O. McDonald, Med. '22; J. McGuire, Med. '24; L. E. McDiarmid, Med. '24; H. R. McDonald, Med. '22; L. J. Jackman, Med. '23; H. Jessup, Med. '23; H. V. Mair, Med. '23; C. Boyce, Med. '23; R. B. Henry, Med. '23; J. B. Gauley, Med. '26; J. E. L. Imbleau, Med. '22; R. A. Massey, Med. '22; N. L. Higenbotham, Med. '25; L. Lyna, Med. '24; N. Holthman, Arts '23.

The following men are worthy of special mention:

Cashiers under the charge of R. B. Henry—J. McGuire, J. B. Gauley, E. S. Hill, R. W. Massey, R. W. Hartley, L. Lyna.

Special work by volunteer stenographers, who devoted several evenings in order to have the lists ready for the various newspapers.

The Misses Sim of the Faculties of Law and Science.

The Captains of the various Faculties—G. F. Aylward, F. G. Buckley, R. W. Hartley, J. E. L. Imbleau.

Hotel service and information was excellently commanded by R. R. McCormick, with the following assistants: W. Arthur, F. Service, G. Young, N. Laeshley, Ritz-Carlton hotel; McElligott, F. P. McNamee, J. B. Gauley, E. R. Watson, S. H. Campbell, Wm. Davidson, H. L. Logan, Windsor Hotel.

Also attached special report by Mr. Norman M. Vineberg, Med. '24, who was responsible for the organizing and the excellent service supplied by the "McGill Centenary Auto Service."

I have the honor to be, gentlemen, Your obedient servant,

CHAS. B. HENRY.

To the McGill Reunion Committee, McGill Centenary, 1921.

Attention Mr. Fraser Keith:

Gentlemen—We have the following to report in connection with the work done by the Service Committee, which acted as a sub-committee under the Registration Division in charge of Mr. Chas. Henry.

In all, some 125 men, mainly volunteers from the Undergraduate bodies of the various faculties, supplied labor for the following services:

1. Central Information Bureau at Strathcona Hall, where all sorts of information was accumulated and dispensed.

2. Mail and telegram service whereby all mail addressed to visitors was collected and delivered by locating the graduate through his registration address where possible.

3. Hotel service—A central booth was located in Strathcona Hall where a list of registrations was kept and all grievances and other difficulties straightened out. An additional booth was located in each of the larger hotels co-operating with the central booth.

4. Auto service—Undergraduates, about 50 in number, lent cars at various times during the Reunion for the use of visiting graduates, their movements being controlled from Strathcona Hall.

5. Usher and ticket collecting service was supplied at the Art Gallery at the Capital Theatre and the class dinners.

6. Thirty men were supplied for ticket taking and traffic control at the dance and reception on Friday evening.

7. Boy Scout messenger service was maintained during the time that the boys were free from school.

8. A troop of Boy Scouts were supplied for traffic control and messenger service at the dance.

9. A considerable number of men were supplied to other branches of the Reunion work when called for, such as relief at the registration work, etc.

The following list of men who volunteered and served is as nearly correct as we have been able to make it, considering the somewhat confusing circumstances under which we operated. There is no doubt that a number of deserving men have been left out, in spite of our desire to give everyone due credit for the work done.

W. A. Murray, Med. '23; Basil Koster, Med. '22; M. Fineberg, Med. '23; Allan Strong, Sci. '23; J. K. Higgins, Med. '25; H. L. Humes, Sci. '23; McCormack, Med. '22; Gavin Miller, Med. '22; Martin Cashin, Med. '23; Henry Dawson, Med. '23; Ervin Centre, Med. '23; Victor Mader, Med. '23; Bob Laishley, Med. '22; G. E. Moodie, Med. '23; Ken. Parke, Med. '22; M. S. Cooke, Med. '23; C. A. McDonald, Med. '23; J. H. Boyd, Med. '24; Arthur, Med. '22; C. Boyce, Med. '24; R. G. Urquhart, Med. '24; F. L. Dowling, Med. '25; H. G. Pretty, Med. '25; B. T. Smith, Med. '25; D. T. Porter, Med. '25; J. Levy, Med. '25; Puddicombe, Med. '26; G. F. Young, Med. '22; L. F. Service, Med. '22; L. P. McNamee, Med. '22; D. C. McElligott, Med. '24; Gauley, Med. '26; H. L. Logan, Med. '23; W. M. Davidson, Med. '23; E. R. Watson, Med. '22; L. B. Sterling, Sci. '23; W. V. Somerville, Med. '23; A. W. Peters, Sci. '23; B. P. Nutting, Sci. '24; G. H. Robertson, Med. '22; E. R. Smallhorn, Sci. '23; H. M. Allan, Med. '22; C. N. Griffin, Med. '22; H. S. Jessup, Med. '23; I. W. Jardine, Med. '23; S. Campbell, Med. '23; H. U. Mair, Med. '23; L. J. Lynn, Med. '23; E. R. Watson, Med. '22; O. V. Schmidt, Med. '22; G. E. Vernot, Sci. '24; F. B. Chalmers, Med. '25; J. C. McClure, Med. '23; H. Holtham, Arts; G. A. Wilson, Med. '24; J. W. Smith, Med. '23; J. C. Calder, A. T. McIntyre, N. Egerton, M. D. Kennedy, Sci. '23; C. F. Connor, Glickman, Med. '25; C. L. Pope, Med. '24; O. W. MacKee, McGregor, Med. '22; Geo. Evans, Med. '23; Wilder, Cousineau, Bates, Clarke, Med. '23; McDougall, J. M. Mitchell, H. Bush, Waite, Carlyle, Stockwell, Sci. '24; R. J. Mitchell, Reid, Med. '24; Eager, Med. '24; MacKenzie, Cartwright, Banfield.

Robertson, Med. '22; Taylor, Med. '22; Berned, Med. '24; Banville, Med. '24; Peozzer, Med. '24; Whiteman Med. '24; Hastings, Med. '24; Kyle, Med. '24; G. R. Bradshaw, Sci. '23; C. R. Whittemore, Sci. '23; R. B. Gamble, Sci. '23; C. W. Steacie, Sci. '24; T. K. Sherwood, Sci. '24; T. B. Patterson, Sci. '23; J. H. Oliver, Sci. '23; M. H. Dineen Med. '26; H. J. Leitch, Sci. '23; A. H. Champion, Sci. '23; J. B. Bodeur, Sci. '23; A. Hamel, Sci. '23; V. E. Friedman, Sci. '24; H. J. Desbarrats, Sci. '23; E. J. Murphy, Med. '26; W. E. Brown, Med. '26; M. M. Chorney, Med.

26; W. W. Davis, Sci. '23; J. P. Graham, Sci. '23; Banfill, Sci. '23; Bates, Sci. '23; H. G. Holcomb, Sci. '23; J. J. Robertson, Sci. '23; Finlay, Sci. '23; A. J. Powell, Sci. '23; W. B. Faith, Sci. '23; E. Snyder, Sci. '24; Mason, Scott, Sodden, Sea Scouts; J. Britton, C. McCutcheon, 20th Troup; H. Jason, D. Jason, 12th Troup; V. Rees, R. Myrchant, 53rd Troup; R. Caron, A. Isles, 14th Troup; F. Francis, 70th Troup; M. Henry, 17th Troup; G. Winwood, W. Twiggell, M. Trager, 11th Troup; Scout Master, M. McNaughton, 17th Troup; Allan B. Strong, W. S. M., 70th Troup. Special mention is due to the following men whose continuous hard work is entirely responsible for any degree of success attained by the service committee.

Mr. W. A. Murray who acted as assistant chairman and whose energy and indefatigable efforts in the Registration Room kept things running smoothly.

Mr. Basil Koster whose work in charge of the information bureau was most efficiently carried out.

Mr. J. H. Higgins who with Mr. R. McCormack kept the Hotel Service in continuous working order.

Mr. N. Vineberg who supplied the auto service (as per list) below.

Mr. Allan Strong, who supplied the Scout Service and did a great deal of sign and lettering for the different branches.

Mr. H. L. Humes for his general hard work and particularly his good work in handling the Ball Room on Friday night.

Mr. Norman Eager for the wonderful way in which he took charge of Mr. Rixford (the oldest Science Graduate) throughout the ReUnion, giving up his entire time to Mr. Rixford's entertainment.

Mr. J. C. Boyce who compiled the long list of visitors registered for the papers.

Yours for Old McGill.
A Graduate in Science.
Auto Service.

McCall, W. Evans, S. Pierce, H. Holden, T. E. Padden, G. Morgan, L. Sherwood, L. Marler, John Long (MacFinn), Reg. Jacobs, Harry Kaplan, W. Stevenson, H. Aikman, Roy Foss, W. Pratt, J. Quinlan, Art. Vineberg, V. Knowlton, J. Gordon, H. E. Smith, J. Marsh, E. Sherrard, S. Davison, L. D. Tatley, J. R. McGregor, H. Newman, W. MacLair, H. Daly, J. Feldman, E. O. Freedman, A. McKim, Anson, E. Elliot, M. Glickman, F. N. Houlting, Webster, Ogilvie, Wynn Findlay, B. Bulmer, Craig, J. Wilder, J. Hamilton.

An additional list has been handed in by Mr. Norman Egerton, who was in charge of the Hospitality Committee of Royal Victoria College students who assisted in this work.

Miss Mary Fry, Miss Jean Henderson, Miss Lorna Kerr, Miss Zerada Slack, Miss Evelyn Snyder.

It is quite possible that some names have been omitted in the above list and if so the undersigned will appreciate being advised.

Yours very truly,
Fraser S. Keith.

THEOLOGS SHOW SOCCER ABILITY

Presbyterians Defeat Congos in Early Morning Game

Once again, the P. C.'s showed themselves to be supreme on the Soccer field, by taking the Congos' into camp yesterday morning by the score of 2-0.

These early morning games between the residents of the theological colleges have shown that there is a wealth of soccer material in the University, and it is hoped that next year at least, soccer may gain a strong foothold in athletics.

The game was fast throughout, long kicks by the backs of both teams being quite conspicuous. For the first few minutes the P.C.'s pressed quite hard, but Moore & Jackson were kicking and checking well. Smith and Craik took it upon themselves to relieve, by taking the ball down towards the P. C. backs.

However here, as throughout the game, Britton was impregnable. After more end to end play, two consecutive corner kicks were awarded the Presbyterians, and although they were well taken by Lloyd, no score resulted. A few minutes before half-time, while the Congos' backs were clearing, the ball bounced off Lloyd, and through the goal for the Presbyterians' first score.

Congos pressed hard during the second half and the work of Smith and Craik here deserves much praise. They were continually rushing the ball down while Smith also had to protect his backs to a great extent. Britton relieved during all these attacks and finally gave a nice pass to Lloyd, who went down the wing and placed a beautiful shot past Collins for the P. C.'s second and last goal. The half ended by Congos pressing hard.

Congos : Collins, Moore and Jackson; Whitmore, Smith, and Bronson; Saunders, Craik, Butler, and Sanderson.

Presbyterians : Lindsay; Ginn and Britton; McGerrigle, Woodhouse, and Harris; Avison, McPhail, Clarke, Robb, and Lloyd.

Thursday, Nov. 3rd.—Such a terrible turmoil this day as I never did see. At noon shewing young Anne Mary, the daughter to my landlady, certain of the abstrusities of the trigonometric sciences, in which she shows a most painful ignorance, when in walked Mistress Narcissa Baitbreath, bringing me as a love-token a box of a kind of sweet confection termed fudge, which she had laboured with her own white hands, and seeing the closeness of our heads the one to the other over the trigonometric book, she must needs fly into a tantrum out of all bounds, and called the poor little chit a wanton and a hussy and divers other terms which I cannot here sett down. Would then I believe have set to tearing out her hair if I had not most bravely set myself in their midst; whereupon she stamped her little foot in a great rage, and made off, swearing that she would nevermore have aught to do with me or my kind, which troubles me sorely as I had purchased a ticket at great price to take her tomorrow to a certain ball at the Union Mansion.

To the playhouse with Mr. Redlocks to console myself therefore, where I did see Abraham Lincoln by a certain Mr. Drinkwater very prettily performed; only he who played the chief part mouthed out his words in such a way that it sounded off most like a nonconformist divine. It seems this Lincoln was a sort of horrid Cromwell, being all for democratic heresies and the like, yet quite an amiable man to my mind. My heart is like to be quite broke, and I can set down no more here and now.

Yours for Old McGill.

FINAL DRILL FOR SENIOR TEAM TODAY

Held Last Scrimmage of
Week Yesterday.

TEAM IMPROVES.

Back end and Ends Show
Great Speed in Yesterday's Practice.

The senior squad yesterday afternoon engaged in the last hard workout before the game with Syracuse at the Molson Stadium on Saturday. "Shag" and Eddie Brown sent the team against the intermediates for a spirited scrimmage which lasted about an hour and thirty minutes. The second team furnished a strong opposition, and the practice was productive of a great amount of benefit to the seniors. "Don" Baillie led the team through a number of formations with great smoothness and the "scrubs" found it quite difficult at times to break through the first team's well formed interference. Time and again "Boo" Anderson and "Elin" Flanagan tore through the "scrub" team defence for gains while the linemen, profiting by Jim Callahan's instruction of the previous day opened up great holes in the line. It was a revelation to see Anderson and Flanagan hitting off tackle and plunging through centre with such speed that one would scarcely suspect that they were handicapped by playing under rules unfamiliar to them.

The men running with the ball were supported by a beautiful interference. The backs showed much improvement in hurling themselves at the opponent's secondary defence and thus enabled the ball-carrier to sweep around the ends or great advances.

The forwards pass was attempted from scrimmage a number of times and on several occasions some pretty passes were effected. "Boo" shows improvement with each practice and by Saturday he should be not far behind Herbert of Syracuse in speed and accuracy in handling the spiral. "Bones" Little and "Left" Russell showed their usual consistency on the receiving end of this play.

The showing of the ends in getting down under punts was very encouraging and their improvement gave the coaches considerable satisfaction. They ran down the field with greater speed, judged their distance accurately, and rarely missed the man with the ball.

"Dick" Carroll spent part of the afternoon in punting and many of his spirals travelled fifty yards and more. They possessed good height and this should give the wing men plenty of time to get down the field. Carroll gets his punts off with great speed, and it is not very likely that the Orange line will succeed in breaking through in time to block his kicks. He has also been devoting some spare moments to perfecting his drop kicking, and as soon as McGill gets within striking distance of the opponents' goal line, Carroll will be called upon to attempt a "3 pointer".

In the kicking department the Red and White should be under no disadvantage. With Zimmerman in the line-up Syracuse aggregation would probably have the edge, but this star halfback will probably not be seen in action and the runt of the kicking will most likely fall upon the shoulders of Kellogg and Herbert, and Carroll should, without much difficulty, be able to hold his own against these men. A gain on an exchange of punts shows up to greater advantage in the American game for the reason that the game is played on a smaller field, the distance between the crossbars being 100 yards, ten yards shorter than the Canadian football field. This, of course, will necessitate some work in moving the goalposts nearer the center of the field.

The Syracuse squad is expected to arrive this morning and will probably take a light workout at the stadium this afternoon when the McGill men will catch a first glimpse at the American team.

INTERESTING PLAY HERE FOR NEXT WEEK.

(Continued from Page 1.)
agement of His Majesty's to hold their theatre benefit night on Tuesday, November 8th.

All readers of this paper who wish to see this international star in her remarkable play should arrange to attend on the night bespoken by the ladies of the Press. It is hoped that the support of the student body will be given to their effort. It is the desire of the Women's Press Club to have funds on hand to assist in charitable work during the coming severe winter.

The box-holders for the occasion of the Women's Press Club Theatre night are: Lady Shaughnessy, Lady Williams Taylor, Lady Meredith, Lady Allan, Mrs. Howard Kelly, Mrs. C. C. Ballantyne, Mrs. D. C. Macarow, Mrs. R. A. E. Greenshields, Mrs. G. C. Cantlie, Mrs. W. A. Black, Mrs. E. G. M. Cape. Among those who have already subscribed are: Lady Drummond, Mrs. William Hope, Mrs. A. B. Colville, Mr. and Mrs. Walter E. Lyman, Dr. and Mrs. Lafleur, Mrs. Robert Adair, Mrs. Alex. Woods, Mr. and Mrs. J. E. Darvyle, Mr. and Mrs. F. W. Cowie, Mr. and Mrs. Henry Joseph, Mrs. W. C. Hodgson, Dr. and Mrs. R. H. Craig, Miss Grace Robertson, Mrs. E. H. Carter, Dr. and Mrs. H. S. Birkett, Mr. and Mrs. J. H. Wardlaworth.

BOTH RUGGER TEAMS PLAY NEXT MONDAY

Montreal Teams to Play at
Stadium.

PRACTICE SATURDAY

Both Senior Teams Have
One Victory to Their
Credit.

Two Rugger games have been arranged between the two McGill teams and the Montreal Club for Thanksgiving Day at the Stadium.

In the first game the McGill second team will play the Montreal seconds at 2 P. M. The senior fixture is scheduled for 3 P. M. The latter should provide a good exhibition of the English mode of football. These teams have met twice this year, and each has a victory to its credit. Monday's game will decide the supremacy for the present season. The Red and White squad have been improving steadily and figure on winning by a substantial score.

The following team will represent McGill in the senior game:

Fullback:—McDougall.
Three quarters:—Marpole, Beardsley, Bradshaw, Manson.

Halves:—T. McIntosh; Day; Kemp (Capt.)

Forwards:—McLean, Cleland, Witmore, Patterson, Lockhead, Budden, Rankin.

Reserves:—Anglin, Brown.

The second team will line up as follows:—

Fullback:—Gooch.

Three quarters:—Holloway, Reid, Peacock, Anglin.

Halves:—Cooper; C. A. McIntosh.

Forwards:—Blundell, Shore, Mitchell, Robinson, Cartwright, Brown, McGoun, Whidden, Stone.

If any of the above men are unable to play they should phone W. N. Kemp at Uptown 6084.

There will be a workout for both teams tomorrow at 12 noon. Every man is expected to turn out.

ARTS and SCIENCE LOCK HORNS TODAY

Crucial Game in Interfaculty
League at 3.30 This
Afternoon

This afternoon at three-thirty, Arts—Law and Science will play the final scheduled game in the Intercollegiate Rugby league. The game promises to be very well contested, as Science must win in order to place themselves on an equal footing with the Reds, and Arts—Law, if they win will be winners up.

The standing of the faculties at present is as follows:—

	Pt'd	Won	Lost	Tied	Pts
Medicine	3	2	0	1	5
Science	2	1	0	1	3
Arts—Law	2	1	1	0	2
Commerce	3	0	3	0	0

Should Science win this afternoon a play off with Medicine for the championship will be necessary.

Arts—Law held a short but snappy signal practice on the Old Campus yesterday, Captain Pierce putting his men through their repertoire of plays, and from the form shown it is tolerably certain that today's game should furnish a good brand of football, well up to the standard of the other games in the Intercollegiate

terfaculty league.

Science will field their regular team.

The following will represent Arts—Law:

Snap.—McDiarmid.

Inside.—Hampson, Webster.

Middles.—Elliot, Lidstone.

Outsides.—Burdell, Ogilvy.

Halves.—Pierce, Falconer, Chauvin.

Quarter.—Gardener.

Flying Wing.—Anderson.

These men are especially requested to be on the field in uniform at 3.15 in order to have time to warm up before starting play at 3.30.

WATER POLO GAME AT 8.30 TONIGHT

Intermediate to Play N.A.A.A.
in Their Tank

Tonight at 8.30 the McGill Intercollegiate Water Polo team will play the National A. A. A. team in the National tank on Cherrier Street.

The McGill team, fresh from their victory over M. S. C. on Wednesday night, are out to win, as a victory would place them on an even footing with the M. A. A. A. intermediates, each having then won 3 and lost 1 game. McGill and the Peel Street aggregation play next Wednesday evening in the Y. M. C. A. tank and so a win tonight and on Wednesday will give McGill the lead in the first half of the schedule.

The McGill team for tonight will be as follows:

Goal.—Graham Browne.

Defence, I. Forsythe, C. Anson.

Centre.—J. Ross.

Forwards.—G. Vickerson, W. Munro.

Progress is changing the world to suit our vision.

Determination is changing our vision to suit the world.

NATURAL THING TO FALL IN LOVE, SAYS PROFESSOR.

The whys and whereof of falling in love, as explained by Dr. Halbert H. Britan, professor of philosophy, to students of Bates college are simple:

"The principal reason why people fall in love is because they are so constituted, both physically, and mentally, that it is the normal, the natural thing to do," he said. "There are two aspects to the question—the natural susceptibility of the individual and the stimulus that calls forth the mental reaction."

Awakening of true affection is compared in this professor's love story to the preparing and combustion of high power explosives. "In love, nature has prepared the elements, combined them through countless years, and guarantees the result when some vision of loveliness, some heroic deed or even some insignificant word or act unlocks the stored up energy of the emotional life."

"There is not one single formula for arousing love. Just as anger or fear, for example, may excite by a wide variety of circumstances and conditions, so love is capable of being awakened by stimuli equally diverse. A beautiful face by no means has the power often assigned to it. It is by no means indispensable nor does it add noticeably to the intensity of the affection felt for its owner. In man beauty is almost wholly subordinate to other attractions."

OUR WISH

Is that all McGill students may have a very successful year. We invite you to take advantage of our saving prices and make our stores your headquarters for all your requirements.

"LIGGETT'S"

Cor. Mansfield & St. Catherine.
Two Doors East of Loew's.
One Door West of Orpheum.
Cor. Guy & St. Catherine.

Dr. Britan puts little faith in love at first sight.

As a summary of the several ages of susceptibility in love Dr. Britan said: "After twenty incidental remarks will hardly serve to focus attention and to awaken interest; after thirty the sediment of prolonged experience has settled over the instinct and often so solidified, that toy tools seldom will suffice to break through to the emotion bearing paleozoic stratum of human nature. After this age falling in love is no longer a matter of instinct. Common sense, good judgement, a truer perspective of life tend to discount the enthusiasm and exaggerations of love's young dream and demand a firmer basis for the happiness to be won."

RE-OPENING INTER UNIVERSITY SHOOTS

Arrangements have been completed with Varsity to renew the old Inter-University Rifle Competition next Monday morning. Although the McGill Club has been active each fall since the War, those of Queens and Dalhousie have failed to resume interest and it is only this year that Varsity has accepted the challenge.

The splendid trophy, a large cup offered by the Militia Department, has rested securely in the Union since 1914 and it is the duty of McGill marksmen to keep it there for the ensuing year. Only one more practice is possible before the big meet on Monday, therefore the big meet on Monday, therefore noon.

Saturday's shoot will also be counted as the second in the Salvar Competition at which ranges of 200, 500 and 600 yards will be fired.

Will: Gee, Mary's lucky!

Bill: Haw's that?

Will: Well she went to a party last night where the boys had to kiss the girls or on their refusal to do so were required to give them a box of chocolates.

Bill: Well, how was she lucky?

Will: She came home with thirteen boxes of chocolates.

Women of Canada

"I ask from all the people of Canada an earnest review of the real issue before Canada today. I ask from men and women a calm, thoughtful consideration of serious public questions; and, so far as I am concerned myself, I ask not favors but fairness."—ARTHUR MEIGHEN.

WOMEN OF CANADA, the coming General Election will be one of the most momentous in Canadian history, and Arthur Meighen asks YOU to give the issue fair, unbiassed consideration.

Women and men alike are called upon to decide whether political, industrial and economic stability is to be replaced by class rule, political and industrial chaos and possible economic bankruptcy.

The facts are clear, and every Canadian woman will do her own thinking. She will not be misled by others. She will not blindly follow family political precedent, neither will she be carried away by the false theories or empty "isms" of theorists and extremists. Every woman will arrive at a personal decision by the application of practical common sense.

The great issue is the Tariff and here are briefly the facts.

The present Canadian Tariff, so far as it affects the necessities of life, is a very moderate one. It is simply a tariff maintained to keep Canadian factories in Canada, employing a steadily increasing volume of Canadian labor and developing Canadian resources.

Meighen stands firm for the continuance of a reasonable tariff. It is now even more imperative than in the past. All other important countries are retaining or increasing their tariffs in order that they may hold their home markets for their own people.

Under **Crerar's Free Trade** policy Canada would be swamped with foreign goods, principally from the United States, Canadian industry would be ruined, thousands of men and women would be out of work with all the hardships to themselves and their children that must result. The farmer's great home market would be seriously affected, taxes would be increased, and Canadian working men would have to go to the United States for employment.

While **King's Tariff** policy is wobbly it nevertheless tends toward the destruction of the Tariff and would bring with it practically the same results.

MEIGHEN'S POLICY EVERYBODY KNOWS. It is the only means whereby confidence may be maintained and employment given to all classes of the people.

The foregoing is a plain statement of logical conclusions arrived at from the facts. Think the matter over carefully "without favor but with fairness".

Make your own decision, stand by it unmoved and be sure to exercise your vote.

Canada Needs Your Vote; and—

Canada Needs Meighen

NOTICES

ATTENTION SCIENCE '24 AND '25.

Will all heads of groups who handed in expense accounts for the year do suit two weeks ago please call at the Janitor's Office, Science Building, where accounts will be settled.

S.C.A. OF R.V.C.

There will be a cabinet meeting of the S.C.A. to-day, Friday, at 4 p.m., in Room 106. The representative from First Year, and the representative from the M.S.P.E. are invited to be present.

ALL THOSE WHO ARE 21 AND OVER.

Do not overlook the opportunity of registering for the Dominion elections. If you are over 21, have resided at least two months in Montreal, and are a British subject, you are entitled to vote.

R.V.C. A. A. EXECUTIVE.

A meeting of the R.V.C.A.A. will be held in the Common Room to-day, Friday, from 4 to 4.30. Please be on time, as there are several important matters to be discussed.

B. W. & F. EXECUTIVE.

There will be a meeting of the B. W. & F. executive, faculty, and class representatives, at 5 p.m., in the Union. Important plans will be made for the coming smoker and competitions.

ARTS & LAW FOOTBALL.

All players are asked to be out at 3.15 this afternoon, to prepare for the game vs. Science, which is scheduled to start at 3.30 sharp. Men are again warned about the rules of physical examination.

EXCURSION TO RIGAUD MOUNTAIN.

The geological excursion scheduled for Saturday next, November 5, has been cancelled.

FRANK D. ADAMS, Dean.

BASKETBALL BEGINNERS!

Miss Cartwright will meet all beginners in the room opposite her office at 1.35 p.m. to-day, Friday. The rules of basketball will be gone over, and explained. This is for the benefit of those who were unable to attend a similar meeting last Monday, also for those who do not know the new rules. Everyone must be on time, and the meeting will be over by 2 o'clock.

R.V.C. BASKETBALL PRACTICE.

Basketball practices on Saturday at Molson's Hall are taking place at the following hours:
Fourth Year—11—11.30.
Third Year—11.30—12.
Beginners—12—12.30.
Second Year—12.30.
Every girl must be ready to play five minutes before the hour.

FOUND.

A fountain pen at the top of the hill on the short cut to the Physics Building. Apply to the Janitor of the Physics Building.

EXCURSION TO WATERMAN'S.

There will be an excursion to L. E. Waterman's Fountain Pen Factory, St. Lambert, on Wednesday, November 9th. All going meet at the Southern Counties Ry. Station, foot of McGill St., at 2 p.m. Please leave names with Janitor, Arts Building.

MEMO BOOK LOST.

Lost in Redpath Library or between memo book containing clippings and Informal Dance ticket. Finder please leave with porter at Union. Reward.

CHEMICAL SOCIETY.

Owing to the change in the Chemical Society schedule, the lecture on "Chemistry of Radium," accompanied by moving pictures, will be held to-day. Subject introduced by Mr. Field. All interested are invited to attend.

USHERS FOR FOOTBALL GAME.

Ushers for the Syracuse game will please be at the University Street entrance to the Stadium at 1.30 p.m. on Saturday. Bring your arm bands.

There will be a general meeting of the Architectural Society, this afternoon at 5 p.m., in the Lecture Room, to discuss a programme for the year. All members are expected to be present.

Will all girls who want to go to the Syracuse-McGill match Saturday afternoon, please sign up on the paper provided for that purpose on the athletic notice board.

There are still some vacancies to be filled at the Thanksgiving luncheon given at Strathcona Hall, Monday next. Those who desire to attend will kindly sign up now in order that exact numbers may be known early. Lists are up at the Hall.

RADIUM AND ITS MANUFACTURE.

Mr. C. Everett Field, of the New York Radium Institute, will give a cinematograph demonstration of radium from the mine to the tube, will show some of the pure salt and ex-

JUNIOR TICKETS FOR SIX DOLLARS

Later Tenders Have Made Reduction Possible

The joyful news is out. After careful consideration last evening the Junior Dance Committee were able in the light of recent tenders which carry considerably lower prices than those before submitted to reduce the prices of the tickets for the historic prom to last year's level of six dollars per couple. The tickets will be printed as quickly as possible and will be distributed in the various junior classes about the middle of next week.

Everything is going very well and the success of the event is assured. Of course in a sense the Junior Prom is always a success but this year it is hoped to make the function better than ever before. Each item on the programme will be placed in the most capable hands obtainable so that expert handling of everything from refreshments to music is assured. It has been decided to award the catering contract to C. R. Bronsdon, whose efficiency in this line is well known. This will be rather in the way of a departure from the custom of the past few years, but it is thought the change will be for the better.

INFORMAL DANCE AT 8.30 TONIGHT

First Dance of Season Promises to be Most Enjoyable.

The Informal Dance Committee last night announced that final arrangements for this evening's entertainment are completed, and everything points to a very enjoyable and successful evening. The popularity of the Informal was well evidenced on Friday last, when almost every ticket was sold a few minutes after being put on sale. Those who purchased tickets are certain to beglad they took advantage of their opportunity.

As announced previously, the orchestra will be Chub LeBaron's McGill Trio, and the catering will be done by the Union Cafeteria Management.

The list of those who will be the patrons and patronesses of the dance follows:

Sir Arthur and Lady Currie, Dr. and Mrs. Whinnall, Dr. and Mrs. C. MacMillan, and Miss Hurlbutt.

The programme will be as follows: Extra One Step.

- 1—Waltz.
- 2—Fox Trot.
- 3—One Step.
- 4—Waltz.
- 5—Fox Trot.
- 6—One Step.
- 7—Waltz.

Refreshments.

- 8—Fox Trot.
- 9—Waltz (moonlight).
- 10—Fox Trot.
- 11—One Step.
- 12—Waltz.

Dancing will commence at 8.30 p.m. sharp, and will continue until 12.30 a.m.

plain the chemistry and physics of this element.

Lecture at five o'clock to-day, in the large lecture room of the Chemistry Building. This lecture will replace the programme of the Chemical Society for that afternoon. All interested are cordially invited to attend.

R.V.C. ROOTERS.

Everybody come out to the rooters' practice to-day in the gym—one p.m. sharp. Come on, girls—everybody out and on time.

There will be no lectures on Monday, the 7th inst., as it has been proclaimed a day of thanksgiving by the Federal Government.

J. A. NICHOLSON, REGISTRAR.

McGill students are invited to hear Murray Brooks, who is the representative in the foreign field of the McGill Mission, speak at Calvary Church, corner of Greene Avenue and Dorchester St., on Sunday, at 7 p.m., November 6th. His subject is "India in Transition."

GLEE CLUB.

The weekly practice of the Glee Club will take place in the Music Room of the Union on Tuesday, Nov. 8th, at 7 o'clock sharp. Please bring your song-books, and be there on time.

Will anybody who wishes to dispose of a ticket for to-night's dance please communicate with J. B. McCaw, Sc. '23.

LOST.

A leaflet note book bearing name and registration card of S. O. Stredder. Finder please call Uptown 6500, Central Y.M.C.A.

LOST.

A gold tie pin (crescent shaped). Please return to C. Tyler, Room 9, Engineering Building.

INDOOR BALL GAME PROVED CLOSEST YET

Snappy Fielding Was Feature of Game

PITCHERS GOOD

Med. '25 Played Without a Complete Line-up

The closest ball game so far this season was played last night in the High School gym between Med. '25 and Med. '26, the latter team winning by the narrow margin of 6 to 5.

The contest was featured by good fielding by both teams although Med. '25 were handicapped by the lack of two of their fielders, playing the entire game with only seven men.

There was no scoring until the second inning when Med. '25 got one man across the plate and in the second half of the inning Med. '26 scored two runs. In the third frame Med. '25 tallied another and Med. '26 by means of good hitting, tallied four more. The fourth inning was scoreless. In the fifth, with two men out Med. '25 staged a rally and came within one run of being the score. Med. '26 did not bat in their half of the inning, the game ending 6 to 5 in their favour.

Henry of Med. '25 who pitched for last year's "Red" team turned in his usual good game but was handicapped by his team not being up to strength. Dreger for the winners was very fair though lacking a little in control at times.

Following was the line-up:

Med. '26	Med. '25
Pitcher	Henry
Catcher	Dreger

MURRAY BROOKS TO SPEAK AT CALVARY

McGill Students Invited to Hear Him

On Sunday evening at 7 o'clock, Murray Brooks will speak in Calvary Congregational church, corner of Greene Ave. and Dorchester St., on the subject "India in Transition". Murray Brooks needs no introduction to McGill students. His powers as an interesting and instructive talker are well known to everyone and in this address he will deal with India problems in a manner peculiarly interesting to the students. Murray Brooks has been the general secretary for the Y. M. C. A., in Ceylon for some years past, and as such has had a splendid opportunity of studying conditions in India. The problems of India are vital ones and we should not miss the opportunity of hearing a man who is intimately acquainted with them. McGill students are especially invited to this service.

CLOSE CONTESTS IN TENNIS TOURNAMENT

There were 28 entries for the open tournament from the M. S. P. E., R. V. C., the Faculty of Medicine and the Graduate School. The play so far has been very good and many of the matches in the first round were closely contested. Those in the second round must be played off by Saturday night. The complete draw for the rest of the tournament is posted on the R. V. C. Athletic Notice Board. Players are asked to get in touch with their opponents as soon as the results are posted and arrange for games as expediently as possible.

The results of the first round are as follows:

- L. Desbarats defeated K. Newnham 6-4, 6-3.
- M. Leggatt defeated A. Lawson 6-0, 6-2.
- D. Stuart defeated E. Campbell 7-5, 6-2.
- G. Newmark defeated G. Fieldens, 6-4, 6-2.
- V. Mitchell defeated M. Howell, 4-6, 6-3, 6-2.
- E. Lawford defeated B. Dennis 6-4, 5-7, 9-7.
- D. Campbell defeated G. Ewing 6-1, 6-1.
- M. Olding defeated C. Coll 6-3, 7-5.
- F. Gardner defeated A. Tarshis 3-6, 6-2, 6-2.
- J. D. Spier defeated T. Rough 9-11, 7-5, 6-3.
- H. Drummond defeated D. Jenks 6-14, 6-4.
- E. Snyder defeated C. Robertson 7-5,

SYRACUSE IS ARRIVING AT 10.30 TO-DAY.

(Continued from Page 1.)

against the McGill football warriors.

Stinging from the two mid-season defeats, Coach "Chick" Meehan—the youthful Mentor of the Orange Team, has driven his men through the hardest week of scrimmage held at Syracuse in a long time. Coach Meehan and his assistants are not treating the game lightly—but look to McGill to put up a real battle, with an even chance of winning. The strongest line-up will be used and a game full of thrills and dashing play will be in store for the fans. Captain Gulick may not be able to play because of a wrenched knee—and if he does not start his place will be taken by Heers—the Star of W. & J. game last week.

The Syracuse Team fears the trick plays that Coaches Shaughnessy Eddie Brown and Tim Callaghan have been teaching the McGill Team this week, and are primed for a fight from whistle to whistle. There are many who believe that McGill will baffle the American Team with its array of passes. From a spectator's point of view, especially those loving an open game, it should be a classic.

The Syracuse Squad led by Coaches Meehan and Horr and Student Manager Joseph Hueber, will number twenty-two players. Friday afternoon they will work out at the Varsity Stadium in their last drill before Saturday's game.

The probable line-up of the Syracuse Team will be MacRae L. End, Clash Tackle, Van Blarcon, Guard, Culver Center, Waldorf R. guard; Captain Gulick or Heers R. Tackle; Baysinger or Noble R. End, Herbert Quarter back, Anderson R. half back, Foster L. half back and Kellogg full back.

Besides those likely to start—Trout, Granai, Frugonne, Weltman, Gold, Murray, Jappe, and Blecker were brought to Montreal.

Those who follow American football will especially watch the work of Frank Culver, the 150lb. center of the Syracuse Team, whose play this season has been loudly praised throughout the American press. Anderson at half back is one of the best backfield men in the States this Fall, and is likely to receive all-American mention at the close of the Season. His playing at every game has been as sensational as it has been consistent and steady.

The officials of the game are all members of the central board of intercollegiate football officials, and have been especially detailed for this big international game—a game which has received much favorable comment on the sport pages of the American press—Pete Dwyer of Notre Dame will referee; Dr. Dan Luby of Pennsylvania will umpire and Tim Callihan of Yale will be head linesman.

The line-up for the game will probably be as follows:

Syracuse	McGill
Centre	Livshin
Culver	R. Guard
Waldorf	R. Tackle
Gulick or Heers	R. End
Baysinger or Noble	Cope
L. Guard	McCombe
Van Blarcon	L. Tackle
Clash	Ambridge
L. End	Little
MacRae	R. Half
Anderson	R. Half
Foster	Anderson
Kellogg	Flanagan
Quarter	Baillie
Substitutes—Syracuse:	Trout, Granai, Frugonne, Weltman, Gold, Murray, Jappe and Blecker.
McGill:	Lazier, Ross, Stearns, Crain, Emo, Easson, Rutherford, Carroll, Murphy.

A witty convict is unusual. The London Morning Post tells of one such fellow, however—a man whom Capt. Spencer, senior missionary of the Church Army, once visited in his cell.

"Well, my man," said the captain, "and what do you do when you are out at work?"

"Well," replied the convict in a philosophical manner, "in spring I pick peas, in summer I pick fruit, in autumn I pick 'ops, and in the winter I pick pockets."

"And what happens then?"

"Then," continued the convict, "they take me up and send me in 'ere, an I pick oakum."

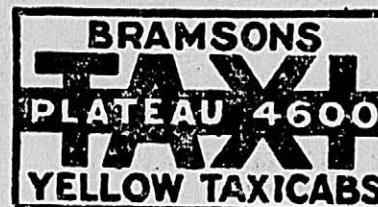

TABLE BOARD

A number of students can secure excellent table board at 788 Shuter Street. Telephone Uptown 8475.

HARRIER RESULTS TO BE BULLETINED

A report will be received at about one o'clock this afternoon in the Daily office, of the results of the intercollegiate harrier race being staged at Kingston this morning. Immediately upon the receipt of this news a bulletin will be posted in the Union with the respective scores made by 'Varsity, Queens, R. M. C. and McGill.

There has always been considerable interest manifested over this branch of college sport, and it is felt that many of the undergraduates will take advantage of this opportunity of hearing the word right off the wire.

Here Are Your Sweaters Men!

The most attractive line of McGill sweaters in several seasons is on our shelves to-day ready for the big autumn season.

There are coats with plain or shawl collars, and good heavy pull-overs.

When making your early-season purchases it will be well worth your while to call at
